*Construction members must complete 30 hours in the shop. Exemptions will be made for students with school activity conflicts or conflicts given on the tech interview form (i.e. band).	
there is no run crew needed for this show	
another note: several cast members were also put on scenic crew because we will need extra help building this show. Cast members who are also on scenic crew need only complete 15 hours of construction work. You will get double Thespian points!
